## Activities

The university organizes several activities outside class hours like guided tours to the most important museums, movies, concerts, full day excursions to the places of interest, as part of the Spanish program.

The activities are aimed at making the student enjoy the taste of the Spanish culture, weather, food, folklore, movies.

The Spanish program is housed within the Schiller International University campus, which has numerous advantages for our language students, such as access to the university library and computer lab – this includes internet and email services.
